Bernard Santos (my father) is the best dad in the world. He inspired me to do many things, such as to play sports and to follow my goals and dreams in life. If I am struggling with homework he always helps me. Also he helps me with sports. He'll teach me how to play some sports and also take me to some games. When I was in the hospital, he was there everyday to make sure I was ok, and to see how I was doing. He's goes with me to my doctor appointments to make sure I am healthy and that nothing is wrong. And just a little while after I got out of the hospital I had to loose weight. My dad set a very good example for me and signed both of us for a gym membership. He goes with me all the time and helps me reach my goal. If I have any other problems, like with friends etc. he's always there to help me and gives me advice.

My dad is always there for me, helping me in whatever situation I am in, or if it is concerning my health. I love my dad so much.

Sincerely,
Adrienne Santos

My name is Theresa Rick I have know Bernard Santos since 1990 he is the father of our daughter Adrienne Santos.

Although Bernard and I are no longer together we have a wonderful friendship and he is the best father that a child could have.

Our daughter, Adrienne has a life threatening illness (lupus Class 5) and kidney disease and recently some heart problems.

Bernard is Adrienne's main support. He is always there when times are hard. He goes to all of her doctor's visits and most importantly, when she was in the hospital he never left her side.

Adrienne is daddy's little girl and she loves her father more than life itself and he is a important factor in her health, The doctors told us to keep her stress level very low as this could trigger her lupus to flare up.

Bernard makes Adrienne smile everyday and not worry about her illness.

Bernard plays a very important role in Adrienne's life. He sees her every single day and is a tremendous help to me, I work two jobs and can't always be around when she needs someone.

Bernard is an upstanding citizen and a great dad; I don't know where Adrienne or I would be without him...

Thanks,

Theresa Rick

To Whom It May Concern:

My name is Faye Garretson and I am a personnel manager for Top Job Personnel and have been since 1987. On July 27th 1993 I was blessed with a granddaughter Adrienne Rene Santos whose father is Bernard Santos. I have known Bernard and his family since 1992. I can tell you that Bernard comes from a very loving close family. I can also tell you that Bernard has been and is a great father. Adrienne is very close to both her mother and her father and they both make sure that Adrienne gets the best education and guidance that she needs. Through out the years Bernard has been a likable person and well liked. During the last few years he has had a couple of devastating situations number one he lost his father a few years ago and number two Adrienne went into complete kidney failure and was diagnosed with Lupus and she still remains on chemotherapy. This is hard for any of us to deal with. I knew because I lost my only sister to lupus. Bernard acts like things don't bother him but I know that they do, after all Adrienne is his only child. He is a good guy and a great father and my granddaughter is lucky to have such a caring father.

Sincerely,

Faye Garretson

He is a great father to his daughter Adrienne age 14 who suffers from Lupus and has been her primary care taker through out her life. To Whom It May Concern:

It is my great privilege to provide a character reference for Mr. Bernard Santos. I have known him for a few years through a friend.

I found him to be one of the most sincere, generous individual I've met throughout my life. Bernard has always been there for others and always found time to give a helping hand even if he didn't know you. He truly showed his kindness towards others. However, his daughter played a major role in his life. You can see it in his eyes how great of a father he is with Adrienne. They were inseparable and welcomed everyone's company. Adrienne meant the world to him and represented what a true parent should treat their children. By example, Bernard taught me not only the value of helping others, but the importance of loyalty and reliability.

I could keep giving more descriptions of Bernard's great qualities as a person. Instead I would simply like to say how much I think of Bernard like my older brother that I never had.

I'm happy to provide further information if required.

Sincerely,

Josephine Nepomuceno

To Whom It May Concern:

There are a lot of words to say about Bernard, but the one that comes to mind is caring. He's a good man and a great father. You'll never hear anything bad about this guy. I'm not just saying this because he's family and we've been through the good and hardship since our childhood. When I lost my father he was the first one there to console my family. Bernard always thought family came first before himself. He was like that towards his friends as well. Especially when it comes to his daughter Adrienne he would do anything for her. Adrienne is his life and would do whatever it takes to make sure she would have a good life. He cherishes every moment with her and happiness that she brings to his life. Although I'm older than him he taught me a lot of ways to be a better person and I'm very grateful to him for his loyalty.

Sincerely,

I HAVE KNOWN EDWARD SAUTOS AS LONG AS I REMEMBERED. I KNEW HIM WHEN I WAS YOUNGER. HE IS ONE OF THE GREATEST UNCLE'S I KNOW AND HE IS ALWAYS THERE FOR HIS FRIENDS AND FAMILY ESPECIALLY HIS DAUGHTER.

I REMEMBER HE WOULD GIVE ME SPACE CHANCE AT THE BOWLING ALLEY SO I COULD PLAY THE ARCADES. EVERY CHRISTMAS ~~HE WOULD~~ ALWAYS GET ME A PRESENT EVEN IF I HAVEN'T BEEN AROUND LATELY. I REMEMBER HE WOULD ALWAYS THROW A BIRTHDAY PARTY FOR HIS DAUGHTER. HE WOULD DO ANYTHING TO MAKE HER HAPPY OR ANYBODY ELSE HAPPY.

I KNOW IF I'M IN A BAD SITUATION I KNOW HE WOULD BE BEHIND MY BACK ONE HUNDRED PERCENT THE SAME WAY I'M BACKING HIM UP.

HE IS THE GREATEST PERSON ALIVE AND HE DOES NOT DESERVE THIS. HE IS A GREAT FATHER, BROTHER, UNCLE, AND FRIEND. I KNOW HE'S INNOCENT.

Bernard Santos is a good person, a loving father, a loyal friend. He is there when you need him. He loves his family. I've known him since 1985. For over twenty years, I've always known Bernard to be fun loving and friendly. He was there to console me when I was having problems with my wife. He was there when I needed someone to talk to. He was always there when a family member or a friend needed him.

Again, he's a good person, a good father, a good friend and a good brother. The world needs more people like him. He needs to be with his daughter, his family and his friends.
